Seattle, WA -- (April, 2009) – Forepoint LLC announced that it has been selected as an Intuit® Solution Provider. Forepoint offers a full range of value-added consulting services for Intuit QuickBooks® Enterprise Solutions (www.enterprisesuite.com) developed by Intuit Inc., a leading provider of business and financial management solutions for small and mid-sized businesses, consumers and accounting professionals.

The Intuit Solution Provider Program will enable Forepoint to better serve regional clients and build their business through the sale, implementation and service of integrated solutions. The program's lead offering, Intuit QuickBooks Enterprise Solutions, is a flexible and affordable business management solution designed specifically for growing businesses. The software helps businesses efficiently input, organize and access the information they need to manage finances, inventory, sales, purchasing and employees, and make key decisions for growth.

"We are very excited to have Forepoint as an Intuit Solution Provider," said BJ Schaknowski, Intuit's director of sales. "Their expertise in reselling and supporting mid-market business software solutions and their track record for customer satisfaction make them a valuable addition to our Solution Provider network."

"Forepoint is excited to expand our product offerings, providing even more options for our clients," states Kevin Cumley, Forepoint President. "With the addition of Intuit QuickBooks Enterprise Solutions we plan to continue our success as a top technology trendsetter along with help from our exceptional team, phenomenal clients, and our dedicated business partners at Sage, Deltek and Intuit."
